Robert Condon Declares 'I'll Answer Every Charge'

"I feel it necessary to answer every charge . . . ." Congressman Robert L. Condon said Wednesday, adding that he will make a full statement "under oath" before the Joint Atomic Committee sometime in January.

Within the next week or two he will also appear on a Bay Area television station, Condon said, in an exclusive interview with The SUN.

WEDNESDAY NIGHT, less than a week after he was charged at a House Un-American Activities Committee hearing in San Francisco with having attended a closed Communist committee meeting in 1948, Condon was interviewed at his home in Walnut Creek.

MORE ON CONDON CASE
See 'Under the SUN' column and summary on editorial page . . . last page.

In reply to the charge made before the Velde Un-American Activities Committee, he said that he appeard at many metings while serving as secretary to the Contra Costa Democratic Central Committee in 1948.

"One of the jobs I was charged with performing, not only by the committee itself, but by statute, was to assist in the election of Democratic candidates, he explained.

DAVID BLODGETT, former Communist, placed Condon at the Communist meeting in charges at the Velde hearing last week, and explained the meeting had been called to consider support of Democratic Congresman George P. Miller.

Interview questions and answers were as follows:

Question: Don't you feel it necessary to answer all charges?

Answer: "Obviously, I feel it necessary to answer every charge that contains anything that conceivably could be considered derogatory to me. I made such an answer in a widely-publicized statement in July before members of Congress at the time this first became a matter of public concern.

"I made a lengthy and specific statement to the Joint Atomic Committee composed of both House and Senate representatives. I have, repeatedly, in public statements, denied the essential allegations that I have, or ever have had, any connection with the Communist Party."

Question: What about that 1948 meeting? Could you have possibly been unaware that those in attendance were Communists?

Answer: "In 1948, as the secretary of the Contra Costa County Democratic Central Committee, one of the jobs I was charged with performing, not only by the committee itself, but by statute, was to assist in the election of Democratic candidates.

CONGRESSMAN ROBERT L. CONDON

'At this time, a new third party had been formed. In common with many others, I did not know what effect this party would have upon the campaigns of Democratic candidates.

"Accordingly, I had many meetings with leaders of this third party to keep them from splitting the liberal vote in various political campaigns. I did not inquire as to the secret political affiliations of anyone whom I met; I accepted the people I met for what they represented themselves to be — and that was, the leaders of the Independent Progressive Party.

"I might add that there was no secrecy about my activities and that I made regular reports to the Democratic Committee concerning things I was doing."

Question: If you do believe that charges against you must be answered, why didn't you take the opportunities to appear before the Velde and Atomic Committees?

Answer: "I intend to appear before the Joint Atomic Committee to make a statement and answer any questions that any member of that committee might address to me . . . of course, under oath.

"I have been in communication with the chairman of that committee and hope that my appearance can be scheduled shortly after Congress convenes in January. I was afforded only one previous opportunity to appear before the Joint Atomic Committee and that was at a time when I did not know the statements concerning me had disturbed this committee.

"It has proven impossible to arrange a hearing this fall in which I could testify, since the committee, subsequent to the adjourning of Congress, has scattered all over the world and would not be available for a hearing."

Question: What was in your statement to the Atomic Committee?

Answer: "In my statement to the Joint Atomic Committee, I answered every statement that had been made concerning me. The contents of that statement will undoubtedly be disclosed at the public hearing that the committee has granted me.

"I want, of course, to have all of the information relating to me in the possession of the people of the Sixth Congressiional District."

Question: What are your views about the proceedings of the Velde Committee, during which you were

School Trustees Uphold 'Reasonable' Physical Punishment When Necessary

In response to a petition signed by 69 parents, the Orinda School Board issued a policy on physical punishment in the schools Monday night at a regular meeting at Orinda School.

The statement indicated that physical punishment would be permitted by either teachers or principals and expressed confidence in the teaching and administrative staff of the district.

Approximately 50 interested spectators were present to hear the statement.

The following policy was adopted:

1. **"TO THE CLASSROOM** teacher is delegated the responsibility of maintaining discipline in his classroom.

2. "Reasonable measures for the maintenance of discipline include dismissal, suspension, conferences between or among teachers, pupils, principals, parents and superintendent, and, when indicated in the judgment of teacher, principal, or superintendent, reasonable physical punishment by the teacher or principal.

3. "In all cases of disciplinary action the teacher shall, if he deems it necessary, secure the advice of the parent, principal or superintendent.

4. **"THE TRUSTEES** have every confidence in the teaching ability, love of children, and sound judgment of each teacher, but it is the policy of the board not to re-employ any teacher whose actions impair this confidence."

The statement was introduced with these comments:

". . . Inasmuch as no serious abuses of disciplinary action by teachers or principals have been brought to the attention of the trustees . . . (we) can only conclude that there is no serious diciplinary problem in the district.

". . . **IN THE OPINION** of the trustees the present careful methods followed in the selection of teaching personnel have resulted in the teachers being qualified to assess disciplinary problems properly, and to deal with same in the best interests of the pupils and the school."

A few spectators questioned the definition of "reasonable" measures and asked some changes in the phrasing. Others expressed satisfaction with the policy.

Commuters Appeal to PUC for Relief From 'Intolerable' Greyhound Service

Contra Costa County Commuters Association this week appealed to General R. E. Mittelstaedt, president of the California Public Utilities Commission, to relieve what was termed as "intolerable, overloaded service existing on Pacific Greyhound Lines buses in commute service between Contra Costa County points and Oakland or San Francisco."

In a sharply worded letter dated Monday, the commuter group, through President John E. McKirahan, reviewed its continuing efforts during the past few years to work out a satisfactory solution to the many problems confronting the 1100 or more commuters who use the buses daily for transportation to and from their jobs in the Bay Area.

The letter referred to the existence of an unofficial "load standard," stating that this was agreed upon on January 25, 1951. This load standard was understood to have been drawn up on the basis that Greyhound would furnish sufficient seats to accomodate passengers who present themselves for transportation during the morning and evening commute hours, based on a weekly average.

"GREYHOUND NOW refuses to recognize the existence of any such agreement," McKirahan stated at the association's monthly meeting at Acalanes High School Tuesday night.

"Therefore we are appealing direct to the commission, asking that it establish some form of load standard comparable to that which now applies to other passenger carriers operating in this state."

Arthur R. Weatherbe, service committee chairman, said:

"OUR EFFORTS TO work out some solution with Greyhound have reached a stalemate.

"Our people have been obliged to stand on buses for periods of from 45 minutes to an hour, after already waiting in line an equally long period for this dubious privilege."

THE NEW DEVELOPMENT climaxes a long history of service problems which have built up during the past three or four years, according to a commuter spokesman.

Last July, when the bus company removed a morning and evening bus from the commute schedules, a commuter official lashed out

C. of C. Slates Poll on Zoning

Orinda Chamber of Commerce directors prepared this week to poll all Orinda residents on their opinions on future business-area planning for this community.

Decision of the board to do this brought into sharper relief the current efforts of the Orinda Association and East Bay Municipal Utility District to work out a satisfactory agreement on zoning for the Pine Grove and other Crossroads land.

It also coincided with efforts toward acquiring the Pine Grove for community use, spearheaded by Mr. and Mrs. Mitchell L. Farrar of 87 El Toyonal and Mrs. Farrar's mother, Mrs. George F. Hickok of 88 El Toyonal.

Chamber Secretary-Manager Andy Blalock announced that the chamber board voted last week to conduct the community-wide poll.

QUESTIONNAIRES ARE being prepared and are expected to be mailed next week, Blalock said. Wording of questions is to be decided this weekend.

Acting as a committee of the whole at last week's chamber meeting, the board expressed the view that people in the community had not fully expressed themselves on the present controversy, Blalock reported.

The poll will offer Orindans this opportunity, directors pointed out.

TENTATIVE PLANS, according to Blalock, are for Clarence Betz and Ed Turk, accountants who are chamber members, to serve on a certification committee.

On a date to be agreed upon, they and an EBMUD representative would collect the returned questionnaires at the Orinda Post Office and would not the number of replies and would study the answers.

THE JOINT COMMITTEE consisting of Chairman Joseph Creighton and Boone Robinson of the Orinda Association's Orinda Planning Committee and General Manager John W. McFarland and Properties Division Manager Phil Wagner of EBMUD met with County Planning Technician Tom Heaton and Association County Planner Richard Stockwell in Martinez Tuesday afternoon.

Stockwell, head of the master plan section of the Planning Commission's technical staff, said later that the conference was exploratory in nature and that the county men "mainly listened to the others."

Stockwell stated that another such meeting will probably be held soon but that he anticipated the Orinda and EBMUD representatives to get together themselves before the next session with the county technical staff.

He also expressed doubt that the joint committee would complete its work by December 29, three weeks before the tentative January 19 Planning Commission hearing on EBMUD's Crossroads area rezoning application. The joint committee has agreed that at least three weeks' advance notice must be received before any further hearing.

Stockwell estimated the hearing might be delayed until at least the end of January.

MRS. FARRAR ANNOUNCED that plans to circulate a petition this week, in protest against any business use of Pine Grove land, have been shelved in favor of collecting information on community acquisition of land and then forming an Orinda citizens' committee for the acquisition of public lands.

She said that she is getting information from Contra Costa, Marin, San Mateo, Solano, Monterey, Santa Clara and San Joaquin counties.

Creighton said the report that he had resigned as Orinda Planning Committee chairman was erroneous. He explained that Donn Sigerson had temporarily taken his place while he was out of town for 10 days recently.

Commenting on the Farrar efforts and the general situation, Creighton said:

"THE EXTENT OF the victory achieved at Martinez on November 24 before the County Planning Commission is evidently not appreciated by a few Orinda residents. Actually, EBMUD agreed to do almost exactly what the Orinda Association has been seeking for the past six months.

"We have opposed rezoning until all the facts are brought forth—now we have additional time to get the facts, and the County Planning Commission's staff has agreed to help get them.

"We have sought immediate preparation of a master plan for Orinda and have asked for a delay in rezoning until completion of that plan. Now we can actually get to work on a plan for the central area of Orinda as a first step towards the master plan. We hope we can go right on until the entire plan is complete.

"WE HAVE INSISTED that Orinda has a right to make its own decisions on zoning matters—now, for the first time, Orinda has the chance to participate in the actual planning of this large area. This time we can do more than just say 'yes' or 'no.'

"We have contended that no sensible rezoning of this area could be accomplished without considering the need for adequate roads, schools, parks and public buildings. Now these questions may be considered as an integral part of the plan for the area.

"CONTRARY TO SOME people's impressions, we have NOT agreed to rezone the Pine Grove to retail business, nor have we agreed to the cutting of the pine trees.

"The agreement is as broad as the problem: It covers the entire central area of Orinda from Southwood Drive on the south to El Toyonal on the north.

"We did concede that **eventually** Orinda may have a population of 21,000. We also agreed that some additional business area would be needed somewhere in this central area.

"But where it shall be, how large it should be, of what kind of business it shall consist, what deed re-

Spight Assails Condon as Too Easily Fooled

A statement questioning the abilities of a congressman who might attend a Communist meeting unaware of its nature was made this week by Lindsay Spight of Orinda, after Representative Robert L. Condon was accused of attending a Communist meeting at Velde Committee hearings.

"If a congressman was so stupid to have stumbled unknowingly into a Communist meeting, it should indicate he is not the man to represent this district — giving him all the benefit of the doubt," he said.

Spight, chairman of the Republican congressional district publicity committee, made the statement at a GOP meeting in Martinez.

Central Contra Costa Democratic Club issued a statement this week reaffirming support of Condon.

The statement followed a charge Condon had attended a closed Communist Party meeting by a witness before the Velde House Un-American Activities Committee in San Francisco last week. Condon denied the charge.

Referring to committee action, a statement issued by the club read. "In answer to the opening blast of the 1954 Congressional campaign, we wish to state that Congressman Robert L. Condon has our complete confidence and support."

The club is officially chartered with members in Pleasant Hill, Walnut Creek, Alamo, Danville and Pleasant Hill. William Milliff is president.

In Concord, a recently-organized club changed its name from Diablo Valley Young Democrats to Diablo Valley Independents, according to Sam Cook, 19, advisor, charging Condon failed to properly answer charges. The club claims 30 members.

Power Failure Hits North Orinda Area

A regulator on a Pacific Gas and Electric Company 4000 volt line failed last Saturday leaving homes in the north Orinda area without electricity from 6:20 to 7:30 a.m.

Company representatives said the regulator was by-passed to restore power while repair crews replaced it, but that it took considerable time to locate the trouble.

'Man of Year' Nominations Wanted NOW!

"Only a couple of weeks remain for selection of Orinda's Man—or Woman—of the Year, so please submit your nomination right away."

This request was made this week by Chairman D. Ramsay Underwood of the Orinda Man of the Year Committee.

It is meant for all of you who have not yet submitted your choice of the Orinda person you think has contributed most during 1953 toward the betterment of the community.

Once again The Orinda SUN is sponsoring the annual Man of the Year contest, in which readers are asked to suggest the individual they deem most worthy of the honorary title, "Orinda's Man of the Year."

All suggestions are turned over to the committee, whose decision will be final. The committee is carefully studying all nominations being sent in, and in addition will consider names of any other persons it thinks merit consideration.

Naming of Orinda's Man of the Year by the committee will occur at the end of this month.

"In order for the committee to have ample time, it is essential that nominations be turned in promptly," Underwood stressed.

Jot down your choice for Man of the Year, stating your reasons, and send your suggestion to The Orinda SUN, P.O. Box 147, Orinda. Or bring it to The SUN office at 1000 Orchard Road, Lafayette.

If it's simpler, just phone the paper, Orinda 2902, and tell the news department about your suggestion—or phone Underwood at his real estate office, Massie and Underwood, at the Crossroads (Orinda 6711) any day during business hours, except Thursdays.

For your convenience, the coupon at the end of this article may be used. If you send in your nomination in this way, use another sheet of paper for the reasons if there isn't enough room on the coupon.

In whichever manner you convey your suggestion, be sure to do so right away—and state your reasons.

With Underwood on the committee are Peter A. Veitch, president of the Orinda Association, and Mrs. Miles B. Sutliffe, president of the Orinda Mothers Club.

Underwood is a past president of the Orinda Chamber of Commerce and is now a member of the chamber's parking lot committee. He is also an active member of the Orinda Rotary Club, vice-chairman of the Orinda Association's Civic Affairs Committee and a member of the association's incorporation study committee. He was Orinda's Man of the Year for 1952.

Pine Grove Site OK'd for School

The County Planning Commission approved the 12½-acre Pine Grove upper grade school site Friday night.

Letters were received from East Bay Municipal Utility District and the Orinda Planning Committee stating that neither objected to the site.

The two groups are discussing possible future of the area. Both agreed there is room for the upper grade school which the Orinda School District plans to build there.

A special bond election will be held January 26 to approve funds for purchase of the site and construction of the school.

Scout Salute..

Awards Record Set by Scouts

In the words of Scoutmaster Reginald Tibbetts, "For the first time in the history of the Mt. Diablo Council, every single member of a troop has received an award at a Court of Honor."

This hard-won record was earned by Troop 200, for at last Monday night's meeting at the Scout Hut, each Scout went forward to accept one or more advancements or merit badges. Two Scout who were unavoidably absent had their awards announced.

Those assisting were Abe Doty, Jack Boyd, Paul Barrett, Ed Hicks, and the Meridian District representative, John Youmans.

Herb Hauser, who has been bringing the boys the personalized backing of the Orinda Rotary Club, sponsors of Troop 200, is turning his liaison work over to Frank Shirey.

For 47 years Hauser has been connected with Scouting in various capacities, and with an interest and an enthusiasm that has been rewarding to thousands of boys as well as himself.

The Eagle Silver Palm conferred upon Jon Tibbetts, holder of 103 merit badges, was especially noteworthy, because few Scouts in the world have ever received this, the highest Scout honor. Only slightly less high is the Eagle Gold Palm awarded Robin Muse.

Scouts Honored

Scouts of Toop 207 and their parents gathered at the Scout Hut December 1 for the second Court of Honor this fall.

Many awards were presented, including the following:

Tenderfoot: Skip Nelson, Patrick Gilmore, Joe Moore, Matt Brothers, Allen Geisler, Brad Olsen, Charles Blue and Bob Merriam.

Second Class: Peter Telfer and Tom Mann. First Class: Bill Houston, Lee Wendelbo and Bob Brown. Star Scout, Bob Shurtleff, Randy Young, Jack Lee and Bill Demeter.

Merit Badges went to the following: Bob Shurtleff, Mike Halloran, Randy Young, Ken Phelps, John Coates, Bill Houston, Bob Hudson, David Brown, Rob Anthonisen, Gary Bottjer, Martin Smith and Jack Lee.

Investiture

Brownie Troop 231 held its Investiture Service December 2. The Brownies had made napkins for themselves and their mothers previously, to be used at refreshment time.

Mrs. C. M. Fitzgerald, co-leader, lit the candles as Mrs. Lloyd Rasmussen, leader, pinned the Brownie pins on each girl.

They sang songs and played games, then served their mothers refreshments. Mrs. Percy Dawson had made a delicious cake decorated in Brownie colors. The girls sat in a circle on the floor, said the Girl Scout Grace, and thoroughly enjoyed the party.

Those invested were Ronni Rasmussen, Thea Jensen, Pauline Kingham, Penny Phillips, Clarine Dawson, Judy Wolff, Nancy Guenther, Roxanne Tess and Karen Fitzgerald. Carol Ramet was ill and received her pin later.

Luncheon Date

Mrs. James DeKorn entertained mothers of Troop 47 for lunch December 2 at her home on Tara Road. Troop leader Mrs. Vernon Axelson, assisted by Mrs. Charles Biesel, told of the girls' activities, and the presents to be sent to Weimar Sanitarium.

Guests were Mesdames Marvin Bonds, Clarence Brown, Charles Biesel, Henry Harris, Murray Sharp, Elmer Fries, Robert McCullough, Rees Paine, George Fink, and a new member of the group this year, Mrs. W. R. Haefele.

Brownie Play

Brownie Troop 170 had a play at Glorietta School December 4. There were two casts. In the first cast Suzanne Downing, grandmother; Nancy Henry, Tommy; Marilyn McManus, Mary, and Margo Anthonisen as the owl.

In the second cast, Kathy Loewen played grandmother, Rosemary Niosi, Mary, and Karen Rigor played owl. The Brownie play was directed by Mrs. Henry Harris.

Yuletide Fun

Cub Pack 225 will hold its annual Christmas party for Cubs and their families tonight at Orinda School at 7:45 p.m. Santa Claus has promised to be there with his bag well filled.

Each boy will bring a present marked "boy" and each girl one marked "girl" and they will be distributed. Gifts are not to exceed 25 cents.

Mrs. McLeod is in charge.

Yule Tree Trip

Troop 47 is visiting the Claremont Hotel tomorrow to look at the Christmas Tree decorations. Every year the Children's Hospital groups decorate 100 or more small trees for this display. Mrs. Vernon Axelson and Mrrs. Charles Biesel are meeting the girls at 9:30 at the Pet Shop and will take them into Berkeley.

It costs you at least $2.50 extra when you go through the Tunnel to shop. Save at home!

Breed Estate Appraised at $948,330

An appraisal filed in the Alameda County Superior Court values the estate of former Senator Arthur H. Breed Sr. at $948,330.

Senator Breed, who died last April 28, left the estate to be divided equally among his four children: Horace H. Breed of Orinda, Donald Breed and Arthur H. Breed Jr. of Piedmont and Mrs. Florence Robinson of Oakland.

Major items in the estate, which was made up largely of investments, were stok in the Broadway Improvement Co. valued at $347,980 and holdings in the Moraga Realty Co. valued at $285,600.

KPFA Listeners Here Hold Get-Together

By BARBARA BOROWIAK

A most interesting group of people, including Springhillers Vera and John Hopkins, met at our home at 3329 Springhill Road on a recent evening. The gathering was called by Roy Kepler, public relations director for Berkeley's listener-sponsired radio station, KPFA.

Purpose of the meeting was to acquaint with one another those Lafayette people who were already subscribers to the station, as well as to discuss ways of interesting others in this fine contribution to good listening in the Bay Area.

In case you are not up on your FM stations, it may interest you to know that KPFA aspires to a kind of broadcasting which cannot be carried out within the confines of commercial radio, whose programs are necessarily limited to interludes between commercials.

BECAUSE THIS IS TRUE, and because the programming is not influenced by advertisers, a much wider variety of programs is possible, including full-length dramas recorded in London by the British Broadcasting Corporation, readings of well-known books and plays, the best in both jazz and symphonic music and public affairs discussions in the form of completely informal conversations.

Several of these in the last mentioned group have included local personalities, Lafayette veterinarian Joe Lorber being one.

We also understand that a couple of Springhillers, whose names we will mention when hte tim ceomes, are scheduled for future programs.

ANY OF YOU whose imaginations are excited, as ours were, by the potentialities of this unique plan for radio should have a talk with others in this area who are already enthusiastic supporters of the station.

Aside from the Hopkins' and us'ns you'll find the Dan Arnons and the Percy Jennings' among the Springhill Road enthusiasts.

We've all discovered we can have a real voice in program planning. We like it!

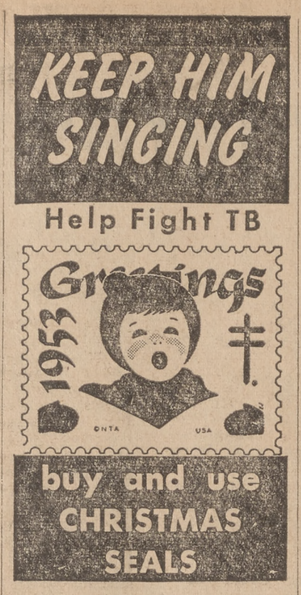
Learner Estate Set at $168,500

Mauric Learner, rancher, willed the bulk of hi estate, appraised at $168,260, to his widow, Hannah, and his sons, Paul and Alston L., all of Lafayette.

Learner died March 10 at the age of 69 at his home on Reliez Station Road.

The appraisal filed recently by State Inheritance Tax Appraiser H. E. Dunkel, listed the estate as follows:

Bank accounts, $40,658.67; insurance policies, $21,500; furniture and automobiles, $31,700; promissory notes, $75,000; ranch in Reliez and Pinole valleys, $35,485; ranch equipment and stock, $31,433, and partnership in a ranch in Modoc County $15,716.50.



42 in Finale of Kickoff Kontest

Perhaps the keenest competition in the grid season's Diamond K Supply Kickoff Kontests was the final Kickoff Kontest.

Football fans were faced by the double lure of the weekend's games and the pleasure, gustatory and otherwise, of the Thanksgiving holiday. Pretty sharp rivalry, you'll admit!

But 42 hardy enthusiasts came through with entries in which they guessed at the victors of the 20 weekend games listed in the Diamond K Supply ad in this paper last week.

However, none came through with the required 20 correct picks for a prize of $25 in merchandise orders, 19 picks for $15 in merchandise orders or 18 picks for $5 in merchandise orders.

Those prizes were offered each week during the 1953 grid season by Bill Magrath, owner of Diamond K Supply at 3671 Mt. Diablo Boulevard, Lafayette.

Closest to being a prize winner was Jane Keating of 343 Marshall Drive, Walnut Creek, with 17 correct picks.

Mt. Diablo Boy Scout Unit Meets

District Chairmen and members of the finance committee of Mt. Diablo Council, Boy Scouts of America, met Tuesday night at the home of Duncan Currie in El Cerrito.

Purpose of the meeting was twofold, according to Victor Lindblad, scout executive .

The first purpose was to evaluate the budget in relation to expected income from various fund raising campaigns and the second, to plan for carrying out a program of sustaining membership enrollment in 1954.

Mother Killed As Car Drives Off Embankment

Mrs. Edna May Fritsch, 36, 963 Yorkshire Drive, was killed Wednesday morning when her car went off the road on Beechwood Drive about 500 feet west of Reliez Station Road.

The California Highway Patrol said that the car was apparently traveling east when it ran off the 35 foot embankment sometime between midnight and 1 a.m.

She was not found until almost 5:30 a.m. when a neighbor, Mrs. C. L. Spear of 3253 La Canada Drive phoned sheriff's deputies that she had been awakened by the sound of a radio and had seen a light.

THE HIGHWAY Patrol could give no cause for the accident but suggested that Mrs. Fritsch might have gone asleep at the wheel.

Her husband, Carl H. Fritsch, said that his wife was a nurse and had left their home around 9 p.m. to administer medications to a friend and that he had later gone to sleep unaware that she had not returned.

Mrs. Fritsch leaves her husband and four daughters, Janet May, Louise Edna, Beverly and Toni Marie. Her mother and father are Mrs. Sara Milligam and Brigham Krause of Salt Lake City, who are flying here for services at 2 p.m. this afternoos.

SHE ALSO leaves a grandmother, Mrs. Hanna Whitman of Salt Lake City, a sister, Mrs. Frank Derby of Concord and a brother, Orlando Krause of Oakland.

She was to be installed as an officer of the Order of Eastern Star tomorrow night and was a member of the Church of Jesus Christ of Latter Day Saints, Walnut Creek.

Services at the Chapel of the Valley will be under the auspices of Almona Chapter of Order of the Eastern Star and Elder Alma Uffens of the Church of Jesus Christ of the Latter Day Saints at 2 p.m. **INTERMENT** will be at Memory Gardens in Concord.

Born in Pocatello, Idaho, Mrs. Fritsch was Dr. Feiler's receptionist for 11 years.

Afghan Gift to GI on Display

On display until next Tuesday in the window of Lafayette Cleaners at 3559 Mt. Diablo Boulevard is the wool afghan fashioned by Lafayette's "Grandma" Bainbridge for one of "her boys."

Mrs. Bainbridge especially made each stitch of this hand-crocheted coverlet for a young service man whom she visited weekly while he was in Oak Knoll Hospital.

Known as "Mom" to the boys at Oak Knoll, she chose to make this afghan for the permanently-injured young serviceman, Roy Bates of Winchester, Ky., because of his interest in Boy Scouting.

The yarns used in this afghan were all donated to Mrs. Bainbridge by mothers of the scouts of Lafayette Troop 204.

"Mom" Bainbridge had kept Roy entertained many times while he was at Oak Knoll by relating to him stories of scouting activities in Lafayette.

Red Cross Collects 107 Pints Blood

The Monday visit of the Red Cross Bloodmobile to Orinda netted 107 pints of blood.

Of the 115 people who came to the Orinda Community Church, local housewives constituted a large majority.

There were 81 women who volunteered as donors, and 34 men. Among the donors were six couples whose joint contributions are much appreciated by the Red Cross. They are Messrs. and Mesdames William Little, A. K. Harmon, William Brock, George O. Knudsen, Charles Biesel and Robert Christiansen.

Mrs. Warren J. Arnett, Orinda Blood Recruitment Committee chairman, gave a special thank you to these ladies who helped staff the Bloodmobile.

Mesdames Robert Bigler, R.N., Coleman Huntley, R.N., William Margerin, nurses' aide, and Gray Ladies Mrs. Frank Coffey, Mrs. Raymond Righetti and Mrs. Darby, and volunteer Mrs. Selby Turnbull assisted in the donor room.

Manning the conteen were Mesdames Ernest Drews, Jess L. Long, Fred Twining, Emil Wickman and W. W. Miller.

Mrs. Robert Miller was in charge of baby sitting at the nursery school and was assisted by Mesdames George King, Jack Kiernan, Rodney Clark, Henry Norris, Frank Cayting, Miss Vicki Adams and Miss Pat Murphy.

'The Friends' Contribute Happy Hours to Weimar

"The children at Weimar call us 'the friends' whenever we go to see them," said Mrs. Lloyd Farrar, 99 El Toyonal, Irinda, "because they know we represent all their friends from Walnut Creek, Lafayette and Orinda."

Mrs. Farrar was speaking of the work being done by Women for Meimar, a volunteer organization to help provide toys, recreation and friendship for the young tuberculosis patients at Weimar Sanitarium near Colfax.

FOR THE PAST FIVE years the Women for Weimar have been seeing to it personally that the children have a happy Christmas, and they have also provided games, toys and crafts to keep them cheerful during the entire year.

"If you could see the children's faces light up when we walk in," said Mrs. Farrar, "you'd really know what it is to make a child happy."

She explained that the teen-age boys are the hardest group to provide for. They can use books, puzzles, records and all kinds of craft work, both materials and tools.

IN THE CASE OF puzzles, she pointed out that jig-saw puzzles are fine, but that they can also use the "take-apart" variety that can be used comfortably in bed.

The organization, headed by Mrs. George Vurek, is made up of active women from all the communities in Central Contra Costa County. Chairman for the drive for Christmas toys this year is Mrs. Roger Dexter, 157 El Toyonal, Orinda. Diehl, 27 Los Dedos, and Mrs. She is assisted by Mrs. Robert George Klement, 9 Valley View Drive, Orinda.

A barrel is in the Sprouse-Reitz store in Orinda, where toys and games can be deposited, and there may be other collection points established, although they have not yet been arranged.

In Lafayette, a barrel is located at Santa's headquarters, 3563 Mt. Diablo Boulevard, opposite Lafayette Food Center.

THE SUN, WHICH HAS helped sponsor the program, will gladly accept any cash contributions, which will be forwarded promptly to Women for Weimar in time for Christmas use.

The general rule to follow when providing toys for the bed-ridden patients, said Mrs. Farrar, is "anything that will occupy time and that the children can use in bed with their hands."

Local Students In JC Dramas

The first act of "Night Must Fall" and the playlet "All on a Summer's Day," were heard in a discussion-rehearsal recently as students of East Contra Costa Junior College drama class read the lines under the direction of Mrs. Bess Whitcomb.

Included in the cast were Allen Lohse, Walnut Creek, and Irene Jacuzzi, Lafayette.

Mystery of Spike Solved—He Was Just Dog-Tired!

The mystery of "Where Is Spike?" has been solved. Spike is about the best known dog in St. Mary's Orchards.

It seems Spike was missing from several of his favorite haunts the first part of a recent week.

After many queries, an investigation was made. It was learned he accompanied his master, Ken Kleinebroich, on a hunting trip over the weekend, when he made his debut as a full-fledged Labrador Retriever.

Both Ken and Spike were a success; Ken bagged his limit and Spike bagged his first bird.

However, the unaccustomed exercise seemed to be a little too much for Spike, and he slept two days straight!

Crusade to Return Double the Funds Collected to Area

Diablo Valley Area United Crusade agencies will receive $32,250 through the crusade while some $15,000 was collected in the area, according to Duncan Kundsen, area campaign chairman.

The Bay Area United Cursade has collected 86 per cent of its goal to date, he reported, adding it is very possible the percentage might climb a few points by the end of the month.

THE FIGURE local agencies will receive represents 86 per cent of the $37,500 total of their budgets, in line with crusade policy of giving each agency the same percentage of their budget as the campaign collects of its goal.

Recently elected members of the board of the East Bay United Crusade include Peter Howard and Charles P. Howard of Walnut Creek and Robert Kahn, Henry Kaiser and Duncan Knudsen of Lafayette.

The difference between the amount collected in this area and the amount to be returned to this area is due to commuter and firm donations.

EXPECTED TO swell the total take of the United Crusade are donations from "quite a few large valley firms," not in yet, according to Knudsen.

The crusade has "proved itself to be a good deal," Knudsen said, pointing out the area will "receive over 100 per cent more here than was given locally."

A final accurate report will be made after the first of the year, Knudsen said.

Aiding local collections were a worker from the crusade's Oakland office and a worker from the Berkeley Community Chest.

CONGRATULATIONS AND GOOD LUCK. Outgoing president of Contra Costa Horsemens Association, Gus Poggi, right, presents the gavel to newly-elected president, Ted Albro of Walnut Creek, left, as Earl Schnider, installing officer, looks on. Other officers installed at a dinner Saturday were Monte Petrie, vice president; Jim Cryderman, secretary, and Kit Shoenberger, treasurer. Directors include Roy Lee, M. V. Deaton, Peyton Farrer, Axle Johnson, Terry Gates, Harry Tomlin, Orval Foreman, Phil Schoenberger and Bill Hardy.

Planners Forward 'Reorganization' Findings to Board

Findings of the County Planning Commission on a proposed Board of Adjustments to reorganize and "streamline" planning procedure, will be presented to the Board of Supervisors Tuesday.

Suggested by the planners is a three man board of commission members which would sit at a separate time to recommend on use permit requests.

APPEALS FROM the board would be to the Planning Commission and end there. The commission would continue to recommend on master plan and rezoning matters.

At present use matters are handled by the planning commission and appeal is to the Board of Supervisors.

Findings of the commission were signed Friday night at public hearing on the first phase of the County Highway and Street Plan.

PURPOSE OF the street and highway plan is to provide the commission with necessary facts with which to determine if road planning in new developments is satisfactory or not.

Supervisors will probably set a public hearing date on the board of adjustments proposal Tuesday, according to Mary Smith, deputy county clerk.

EBMUD Report Tells Ultimate Population

An ultimate population in the area served by East Bay Municipal Utilities District of 2,600,000 is predicted in a recent report by the district.

The prediction is based on complicated mathematical formulae and the fact the area is considered to be 36 per cent saturated with its present population of 953,500.

According to the predictions, population will be 1,075,000 in 1960, 1,302,000 in 1970 and 1,942,000 in 2000.

No Action Taken On Tax Limit

No action on a tax limit election was taken by Acalanes Union High School District meeting at the school Tuesday.

The matter was discussed and action may be forthcoming at a probable special meeting Tuesday night at Las Lomas High School, according to Neil Parsons, district superintendent.

The special meeting was tentatively set for 8:30 p.m., pending completion of Orinda High School plot plans by the architect, Kump Associates of San Francisco.

PARSONS EXPLAINED the board is exploring the possibility of holding the election in conjunction with a special election of the Lafayette School District, to cut costs.

When the matter was discussed at November board meeting, possible extension of the limit to $1.75 per $100 of assessed valuation for an indefinite period was discussed.

A $1.50 tax limit, approved by voters five years ago, expires this year. State law requires any district have prior voter approval before it charges a tax rate more than 75 cents.

Trustee Bill Freeman pointed out the district need not charge a tax rate equal to the limit and has not in years past. He added the district would go out of business if it were limited to the 75 cent rate.

IN OTHER ACTION Tuesday, trustees directed a letter of commendation be written to Mrs. Curtis Duncan of Walnut Creek who donated copies of National Geographic magazine covering 10 years to Las Lomas High School library.

Reports on building progress and planning progress were deferred as the architect's representative was unable to attend the meeting.

Bids were taken under advisement on two new buses for the district, in order for Business Manager Ross Reagan to check into the experience of other districts with the two different types of bus offered.

A BID OF $10,900 per bus before tax was submitted by Gillig Brothers of Hayward who offered buses with International motors, compared with a cost of $13,525 per offered by Crown Motor Coach of Los Angeles with Hall-Scott motors.

Discussion indicated board members felt Hall-Scott motors give better service, but were interested in learning if the difference justified the additional initial expense.

The hiring of an additional clerk to work in the Acalanes High School office was also authorized by trustees.

Firemen Trained In Radiation Defense Course

Fire Chief Everett Wyatt announced this week that firemen of the Orinda Fire District have had instruction in roadiological defense under the direction of RADEF Chief Barbara J. Sturgeon of Contra Costa County Civil Defense.

THE 15-HOUR COURSE was held at the Orinda Fire House and ended with outdoor field exercises at the Orinda Grammar School last Friday.

George Cockerton, fire training coordinator for the Contra Costa Junior College and Dick Crawford, physicist at the California Radiation Laboratory, assisted Mrs. Sturgeon. Other fire stations throughout the county will receive this instruction and it is planned that the program to train all firemen will be completed by next May.

THE NEW TYPE ion chamber, just released by the State Office of Civil Defense, will be housed on a permanent basis at the Orinda Fire House.

described as having attended a Communist Party meeting closed to outsiders?

"I consider that the Velde Committee has been doing a partisan and irresponsible political job. Their reckless smear of prominent clergymen, their disregard of basic rights of witnesses and their obvious bias seems to me to indicate that a fair hearing before this committee is virtually impossible.

"I join with Bishop Oxnam, Alfred Einstein and the boards of the Episcopal, Methodist and other churches in their objections to the methods employed by this committee.

"I particularly resent the fact that information that must have been in their hands for weeks or even months was publicly presented without advance notice to me and at a time that I was attending hearings of my own House Government Operations Sub-Committee in New Orleans.

"Common, as well as Congressional, courtesy should have required them to discuss the Blodgett testimony with me before it became a nation-wide news story. I have no intent of appearing before the Velde Committee, since I know that they are dedicated to doing a hatchet job on me.

"I do not believe I could get a fair hearing from them."

Satisfaction with handling of his political news by The SUN was expressed by Condon. He characterized that handling as a "fine and impartial job, on the whole."

Acalanes Board Authorizes Child Care Class on Experimental Basis

An experimental adult class in child care may be sponsored by Acalanes Union High School District Adult Education Program, following action by Board of Trustee Tuesday night.

Superintendent Neil Parsons was authorized to have the course started if he is convinced it will be an educational course and not a "district sponsored baby-sitting program."

A request for district sponsorship and a report on requirements of a child care course was presented to the board by Arthur Dambacher, director of the adult program.

THE REQUEST was presented to him in a letter from the Lafayette Cooperative Play School signed by 25 members of the group, he reported. The letter asked if financial support might be expected from the district.

Half the instructor's $224 a month salary and $15 per month for supplies was tentatively approved by the board for district financial support for the project, on recommendation of Dambacher.

He also reported the district might collect about $145 monthly in fees, federal aid, and state average daily attendance payments putting the course "in the black."

Lafayette Cooperative Play Shop would provide facilities and transportation and any expenses above the $15 for supplies and half the instructor's salary.

TRUSTEE BILL Freeman emphasized it would be experimental in nature and if adopted would not be a precedent for future action by the board.

Mothers would be required to attend one three-hour session at the school and an evening class session weekly.

In other action holiday pay for employees on an hourly basis was approved by trustees. Business Manager Ross Reagan reported it would cost the district about $175 per holiday in wages.

An invitation to the Board of Trustees of the Mt. Diablo Unified School District to attend the January meeting of Acalanes trustees was extended by the board.

The invitation was extended on request of the County School Board which asked the boards get together to discuss inter-district transfer policies.

WHEN TWO district's disagree on an inter-district transfer, County Board of Education decides the matter. Acalanes policy is to not accept transfer students who live out of the district.

As many as 100 requests for transfer have been received in past years, Parsons said, but the number has decreased with the opening of the new Pleasant Hill High School this year.

Sanitary Board Praises Staff for Quick Installation of Chlorination Equipment

Directors of the Central Contra Costa Sanitary District commended Engineer Gerry Horstkotte Jr. and his staff for the rapid installation of a chlorinator in Orinda at the board meeting December 3.

In a brief meeting which was adjourned to next Thursday, the major point of business was Horstkotte's report on the installation.

THE EQUIPMENT was installed at the lower Orinda Pump Station to act as an emergency control of overflowing effluent which was entering the East Bay Municipal Utility District's San Pablo Reservoir.

The board agreed to install the chlorinator as a stop-gap measure following strong letters from the County and State Health Departments. The installation cost $20,000.

HORSTKOTTE POINTED OUT that the installation was one of the fastest he has ever seen, "and I was weaned on Chlorinators," he added.

Here is his report on how the work progressed:

On November 9 the board authorized the Engineer to proceed with the installation. An order was placed for the chlorinator on November 12 and the next day the district was advised that it had been shipped from Newark, New Jersey.

THE MAINTENANCE DEPARTMENT began preparing the foundation for the chlorination contact tank November 12, which included removal of material on the west side of the existing pump station so that a bench could be provided which would accommodate a tank 30 feet in diameter.

A soils testing company reported that the soil would bear the load and on November 16 an order was placed for a redwood tank to meet specifications.

The tank was delivered Wednesday, November 25 and completed on November 27. The chlorination equipment arrived the same day and assembly of the components was started.

THE INSTALLATION was completed December 2, the entire unit was tested December 3 and is now ready to operate.

Horstkotte praised his staff for the cooperation he had received and commented that even the suppliers were bringing equipment out in their private cars.

Construction was rusned in order that any overflow could be treated in case of immediate heavy rains.

In other action the board agreed to discuss terms of annexation for the Danville Community Services District at the adjourned meeting Thursday if necessary, although the meeting may be postponed.

Baby-Sitter Turns $1.60 Into $5.60 Via Lucky Buck

"Baby-sitting" proved unusually profitable for 12-year-old Susan Fink when she exchanged her SUN "Lucky Buck" one-dollar bill for $5 this week.

Susan, daughter of Mr. and Mrs. George W. Fink of 357 Glorietta Boulevard, Orinda, had earned $1.60 by taking care of the three young sons of Mr. and Mrs. Jack Buchter of 231 Glorietta Boulevard, Orinda, for an evening, while Mr. and Mrs. Buchter were out.

When the Buchters returned home, the three boys John, 10; Peter, 6, and Steven, 4— had been snugly asleep for some time. Satisfied that a good job had been well done, Mr. Buchter paid Susan $1.60.

SUSAN DIDN'T HALT her financial transactions at that point. A day or two later she checked the serial number of the one-dollar bill that was part of the $1.60 against the list of "Lucky Bucks" serial numbers in last week's SUN.

She let out an enthusiastic whoop when she discovered that the dollar-bill was a "Lucky Buck," worth $5. Naturally, she lost no time in going to The SUN office, turning in the "Lucky Buck" and receiving $5.

SUSAN'S JOY WAS matched by Buchter's embarrassment when he learned what had happened. At his office at 61 Moraga Highway, Orinda, the architect mumbled: "Imagine my having that 'Lucky Buck' in my possession and not realizing the fact! I'll certainly have to study those dollar-bills more carefully in the future."

He said he'd obtained the nowgone dollar in the Orinda Crossroads vicinity but he wasn't sure just where, although it might have been at Casa Orinda, where he had eaten lunch the afternoon prior to the eventful "baby-sitting."

IF YOU WANT TO have good fortune similar to Susan's and to avoid embarrassment like Buchter's you'd better compare the serial numbers on your one-dollar bills with those listed in today's SUN.

Insurance Required

Effective January 1, all contractors and applicants for county building permits well be required to file with the building department a certificate of insurance if they employ workers for construction purposes.

Mayors' Group To Discuss SN Right-Of-Way

Walnut Creek Mayor Joe Bell said recently that he will recommend that the Contra Costa Mayors' Conference meet with the Commuters Association to discuss acquisition of the Sacramento Northern Railroad right-of-way.

Abandonment of the right-of way between Oakland and West Lafayette is now contemplated. The route has been mentioned for use as a rapid transit right-of-way, for the future Shepherd Canyon route, or for county roads.

City Attorney John Nejedly urged recently that Walnut Creek contact interested county groups for joint action on the possible acquisition.

Nejedly pointed out that the right-of-way would revert to hundreds of original owners if not acquired before abandonment by Sacramento Northern.

Local Districts Get State Money

Central Contra Costa County school districts have been allocated $3,622,347.95 in average daily attendance and equalization funds by the state for 1953-54, County Superintendent B. O. Wilson said recently.

In addition to these funds, districts may receive state aid for special expenses, such as educating handicapped children, transportation and driver education. High rates of attendance increase will qualify a district for excess growth funds.

Mt. Diablo Unified received $1,869,885.84 for elementary use and $343,205.91 for high schools. Acalanes Union High School received $232,781.24.

Other allocations were: Alamo Elementary, $62,082.16; Walnut Creek Elementary, $458,073.83; Canyon Elementary, $932.90; Lafayette Elementary, $402,257.46; Moraga Elementary, $5,721.09, and Orinda Union Elementary, $238,957.62.

Papers Will Aid Therapy Center

Don't burn those old newspapers and magazines! With practically no effort on your part you can transform them into cash donations for the Mt. Diablo Therapy Center.

All you have to do, according to Mrs. Francis Wyatt, ways and means chairman of the Tanager Unit of the Mt. Diablo Therapy Center, is to tie the magazines and papers separately with heavy twine and bring them to the Orinda Fire House.

Firemen will take care of the rest. Proceeds go to Mt. Diablo Therapy Center.

About our happy Country Folks

By EDITH BOLMAN

The best laid plans of mice and men frequently go on the fritz. We were reading in Life not long ago that sometimes they make mistakes and have to recant.

Us, too! Last week we told you that Mrs. Ritchie Smith was going to write this column, but in the meantime we obtained some information about Mrs. Smith we thought you should have. First, it seems that Mrs. S. is a hunter who until recently has had dubious luck. Then bingo —she made quite a kill.

Kendric Morrish has written the following poem, and a wrangled permission to print it so that you could have a more formal introduction to next week's columnist.

(Editor's note: With no lack of appreciation for Ken Morrish's poetic talent and Betty Smith's hunting prowess, but solely because newspaper space requirements often conflict with the Muse, we have taken the liberty of running each stanza as though it were prose. Okay, Ken, take over!)

Saga of Betty Smith -- by Ken Morrish

Listen, my children, and you shall be told the story of Betty, a hunter bold, a goddess of the chase, no less was she, and what she has done in history.

Young, lean and beautiful, with keen, piercing eye (the kind of a huntress for whom guides would die), friendly and cheerful and very strong, she was always willing to tag along with all of the men wherever they went if on the destruction of game they were bent.

Not bad on pheasant, an expert on dove, but none of these turned out to be her main love. Her affection, energy and many a tear she gave to her nemesis, the blacktail deer.

She was jinxed, she was hexed, she was robbed, she was vexed, and no one could tell what might happen next. When she was deer-hunting with rifle in hand, the things that befell her one can't understand.

The buck would be running, or too far away, or else it would be too gloomy a day to see her front sight, or her glasses were dusty, or she shot at the horns or her cartridge was rusty.

Those miserable deer would give her the slip time after time, trip after trip. But was she discouraged A thousand times NO! Just hand her a gun and off she would go.

Such patience is virtue, and although things were trying she never broke down into womanly crying, but practiced and practiced with many a shell, resolving next time to sure give 'em — — — —.

Off to the Rockies, on safari . . .

Away to the Rockies, on safari, she went, on slaughter of elk and antelope bent. This trip would make her or break her, 'twas said; she'd kill her game or be better off dead.

The antelope swift was to be her first quarry (this is exciting, this part of the story). Would she miss? Would she kill? Would she ache, would she thrill?

The word has come back and the answer is clear: Now Betty no longer worries about deer. The antelope, wily and tricky and speedy, jumped off from a place that was brushy and weedy, took off like the wind, but the voice of doom spoke one loud word and her gun went Booooom!

DOWN went the antelope—UP went a cheer that everyone 'way back in Orinda could hear. Last word from Betsy: "To heck with mere deer!"

But the postscript's even better!

And now for the postscript, it's even better than our heroine looks in a tight Cashmere sweater.

Phooie on blacktail, the antelope tame—now we are talking of much bigger game. What weighs as much as a pony—or horse? An elk or a moose is the answer, of course.

The big moose is mean and also wary. The elk's in the forest and very scary. The temperature's cold and the altitude high. To hunt in this country you must be quite a tough guy.

But on with the story and many a thrill as we follow the huntress as she makes her kill.

They were looking for moose when up jumped an elk with enormous antlers and plenty of bulk. The cannonade started, the bullets were flying and some hit the elk, with everyone trying.

Down went the monarch, with an earth-shaking thump, and up ran our Betsy to sit on his rump, as Ritchie took pictures of his radiant bride viewing the quarry with nothing but pride.

Ritchie said 'Shoot!' -- and they did

It was late in the evening and a big black brute was seen in the timber, and Ritchie said "Shoot!" Whoom went his rifle and so did his wife's, and soon this big moose departed this life.

A big handsome fellow, his presence will grace the Smith living room o'er the fireplace. His honor the elk finds a place in the hall and will be the subject of stories tall.

Well, the hunt is all over, the victory won and Betsy secure in her place in the sun. No more will she cringe when the huntsmen sneer at the fact she hasn't slaughtered a deer. When the talk turns to blacktails, those poor little creatures, a smile will come over her beautiful features.

She'll glance at the moose which hangs on the wall and dreamily think of that day in the fall when her gun roared its message, to her, of great cheer, and again she will say, "To heck with those deer!"

Choir Working On Spring Music

The Junior Choir of the Orinda Community Church, while presenting its holiday programs of music, is quietly beginning preparations for the Music-Drama which it will present at the Orinda Grammar School in the spring.

The Shipmates and Clipper Clubs of the church are again producing and staging the performance for the youngsters. Parents will be working, too, on costumes and the children's lines.

The drama portion of next spring's production will be adapted from the old story "The Nutcracker and the Mouse-King," by E. T. A. Hoffman, the German romantic novelist.

This is the same story from which Tschaikowsky took his "Nutcracker Suite," and Tschaikowsky's music will be used by the choir.

Special Rites Dedicate Church

The newly completed facilities of St. Perpetua's Catholic Church Parish at the end of Hamlin Road were dedicated in a special service Sunday.

Archbishop John J. Mitty of San Francisco conducted the formal dedication rites at 10:30 a.m. Mass.

Father Thomas Collins, pastor, said the contract price for the building facilities amounted to about $119,000 with an additional $25,000 for excavation and extensive paving.

The church has a seating capacity of 600 and already serves nearly 450 families in the relatively new parish, which was only established in March of 1952, he added.

Facilities include the church building, a kitchen and a large cafeteria which will ultimately serve a proposed parochial school. The cafeteria is now used as a social hall.

Sunday masses are held at 7, 8:30 and 10:30 a.m. and 12:15 p.m.

Lutherans Plan Series of Yule Meets, Services

In this season of preparation for the Christmas message, people are more and more looking to God for enlightenment of their mind. This thought will be expanded at the Sunday worship services at 8 and 11 o'clock, when the pastor, Edward R. Andersen speaks on the sermon topic, "Enlighten Our Hearts, O Lord," at the Shepherd of the Valley Lutheran Church.

Mrs. Hal Engman, Sunday School teacher for the third grade will speak to the first assembly of children and Thomas Kling, superintendent of the Sunday School, will speak to the second assembly of children and adults on the general topic, "The Shepherds and Their Part in the Christmas Story."

The temporary chapel is not large enough to accommodate the whole Sunday School Christmas program at one time, so the smaller children from kindergarten through the third grade will have a program for their parents and friends next Friday at 7:30 p.m.

Christmas Eve at 11 p.m. the congregation will have a candlelight service entitled, "It Came Upon a Midnight Clear." Then on Christmas Day at 10 a.m. there will be a service, "Unto Us a Child Is Born."

Church to Hold Clothing Drive

A clothing drive for Korean Relief will be sponsored next week by the Lafayette Covenant Church Sunday School, under the direction of Morris Bergesen, 3949 North Peardale Drive.

A barrel will be placed in the church vestibule, and the committee hopes that it can be filled several times during the week.

Anyone unable to deliver clothing may call Lafayette 2193 and it will be picked up. The clothing will be distributed through Church World Relief.

Sermon to Deal With Jesus

Sermon topic at the Lafayette Community Methodist Church Sunday will be "Why Did Jesus Come?" according to Bishop George A. Miller and Reverend Harry E. Shaner, pastor.

Services will be at 8:30 and 11 a.m. with a youth meeting in the evening.

Background material for the sermon can be found in Phillippians 2:1-11, inclusive.

Cornerstone Laid At New St. Paul's

Many members and friends of St. Paul's Episcopal Church were present Sunday afternoon to watch the laying of the cornerstone for the new church building.

An impressive procession of the choir, clergy and bishops and lay people carried items to be placed in the stone.

AFTER AN opening hymn, the Litany for the Church was read by the Rev. Canon C. M. Guilbert. The responses followed and then the Epistle was delivered by the Rev. W. R. Hodgkin, D.D.

The sermon was given by the Rt. Rev. E. L. Parsons, retired Bishop of California. Presentations included the cornerstone carried by Paul Gallagher; the Cross by H. P. Smith; the Holy Bible by Col. J. F. Gestring; the Prayer Book by R. Adm. H. F. Need; the Record of Funders by Ralph Hinds; the Wine and Wafers by Mrs. H. L. Morris; the Women's Auxiliary Prayer Card by Mrs. Paul Alexander; and the Y.P.F. Handbook by Miss Anne Howard.

THE RT. REV. Henry H. Shires, D.D., Suffragon Bishop of California, climaxed the ceremony by striking the stone three times with the trowel and giving the traditional blessing. The ritual concluded with prayers and a closing hymn.

Many clergymen were present from Bay Area cities including Oakland, San Francisco, Concord, Martinez and Pittsburg.

The church is being built by the Romley Construction Co. of Walnut Creek from the design of Julian Taylor and is engineered by Walter Steilberg.

Sunday, the Third Sunday in Advent, there will be Holy Communion at 8 a.m. and Morning Prayer at the 9:30 and 11:00 a.m. services. The rector's sermon will be "At the End of Time."

Church to Note Bible Sunday

Observing Bible Sunday the congregation of the Orinda Community Church will hear a sermon by Reverend Fred Morrow on "The Book of Hope" at 11 a.m.

Neopolitan and Polish Christmas carols will be sung by the chapel choir under Margaret Popovich.

An earlier service is held at 9:30, followed by classes for youth and adults.

Dr. Gail Cleland will give the final Biblical autobiography in the current series, titled "A Good Man Gets Lonesome."

Both 9:30 and 11 a.m. sessions of the primary department will have their Christmas program at their regular hours Sunday. Each child coming to the early session is asked to bring a new toy, game or book, wrapped in white paper, to be sent to underprivileged children in Caney Creek, Kentucky.

Mormons Will Hear Chaplain

Guest speaker at Sunday School services at 1 p.m. at Orinda Community Church, will be Chaplain Robert Gwilliam, Mormon chaplain on Treasure Island. Special music will be rendered by Laura Summerhays Stay, accompanied by her mother, Mrs. Grace Summerhays of Berkeley.

The adult class, under the direction of Thomas Stuart Ferguson, Branch president, will continue in their review of the sacred history, as found in the first six books of the Book of Mormon, the succeeding portion of the book relating to the secular history of these ancient Americans.

Residents of the area are cordially invited to attend the services.

Masons Name New Officers

Orinda Lodge 704, F&AM, named the following officers for 1954 at a regular meeting Monday night.

Master, Richard Floegel; Senior Warden, Verne Patterson; Junior Warden, Stuart Wade; Senior Deacon, Albert Onion; Junior Deacon, Martin Lewis; Senior Steward James Blades; Junior Steward, John Prentiss; Marshall, Spencer Kendall; Chaplain, Bert Dawson Jr. and Tiler, Albert Eberling.

Installation rites will be held January 15 at the Orinda Community Church.

'Tomahawk' Is Matinee Film

"Tomahawk," another film featuring the troubles that developed between Indians and army officers during the days of the settlers on the plains, will be shown during the Children's Approved Matinee at the Lafayette Park Theater, tomorrow at 2 p.m.

The color picture tells the story of an Indian scout who champions the Sioux when a U. S. Cavalry officer breaks a treaty. There will also be cartoons.

'Art Thou He?' Is Sermon Theme

"Art Thou He?" is the title of the sermon to be preached by Dr. E. Theodore Bachmann at Our Savior's Lutheran Church, 1035 Carol Lane, Sunday.

Dr. Bachman is professor of church history and director of graduate studies at Pacific Lutheran Seminary, Berkeley.

Worship services with Holy Communion will be held at 9:30 and 11 a.m.

Sunday school is offered at 9:30 a.m. and a nursery is available during the 11 o'clock service.

Around Orinda

By CATHY BEDECARRE
Orinda 3263

'TWAS TWO WEEKS BEFORE Christmas, and all through our houses the presents are hidden from children and spouses.

What can you do with a family of amateur Sherlock Holmeses?

In our home when we "hear such a clatter" we know what's the matter — some little detective has come across a treasure trove and decides Santa had already arrived.

Oh, well, Christmas comes but once a year, and it is a good thing we have our miniature Nativity scene to remind us of the real meaning of the holiday.

Enjoying their first Christmas in Orinda are Dr. and Mrs. A. D. Coate, who have recently moved to 92 Van Ripper Lane from Piedmont. Dr. Coate practices in Oakland. The three daughters of the family are JoEllen, a Pi Phi at Cal; Mary Lou and Barbara Jean, both students at Stephens College in Missouri. The two younger sisters will spend the holidays at their new home.

Other new residents of the community are Mr. and Mrs. Robert Knox of 28 Estabuena, in Lincoln Estates. Mr. Knox attended St. Mary's College and liked the area so much that he persuaded his wife to settle in Orinda.

THEY HELD a housewarming dinner on Thanksgiving for 33 guests. Living with them in their new home is Mrs. Knox' mother, Mrs. Sophy Bean.

Merle Tobias of Overhill Road was honored by a birthday luncheon and bridge given by Irene MacDonald last Saturday. Guests at the party were Doris Chapman, Dorothy Specht, Alouise Brain, Lois Staff, Betty Gregg, Pat Smith, Dorothea Cary, Helen Nattress, Mary Chappell, Margaret Kozak, Jean Bettencourt and Lucille Caldwell.

A BUFFET SUPPER was held last Friday evening at the home of Mr. and Mrrs. James Thomas-Staehle on Orchard Road. It was the first of a series of monthly dinners planned for married couples belonging to the Shepherd of the Valley Lutheran Church.

Pastor Rev. Edward Andersen and Mrs. Andersen were present and other guests included Messrs. and Mesdames Harry Oliphant Ray Meyer, Ernest Hendricks, Harold Bowers, Robert Watkins, Norman Miller, Curtis Silver, Edward Winthers and Harold Rote. The next meeting of this new social group will be held January 29 at the home of Mr. and Mrs. Oliphant.

A meeting with a different purpose was held at the home of Mrs. Harold Caldwell when the members of the Sleepy Hollow Book Review Club met recently.

Mrs. Carl Schroeder gave a review of "Magic Fire" by Bertita Harding, an historical novel about Richard Wagner. Members present were the Mesdames J. E. Dorn, W. E. Estes, Thomas Howard, V. L. Hudelson, J. J. Krawl, V. E. Louis, D. C. McMacken, Harry Miller, George Parnham, W C. Riddell, Boone Robinson, E. H. Russ, E. S. Starkman, G. J. Williams and D. E. Winkler.

The three little children of Mr. and Mrs. Kenneth Mirov of Hillcrest Drive are enjoying a visit from their grandmother, Mrs. Martha Colman of LaCrosse, Wisconsin. Mrs. Colman will be visiting her daughter, Jo Mirov, until after Christmas.

This is a good time to welcome my own parents, Mr. and Mrs. L. A. Reid, who arrived last week from Dearborn, Michigan, to spend the holidays with their children and grandchildren. In the old days everyone seemed to go to Grandmother's for Christmas, but now it seems the grandparents have to do the visiting. Either way, it wouldn't be Christmas without them.

Now that lots of us will be entertaining family and friends during the holiday season I would like to remind readers of this column (I know of two!) that the phone number is listed at the top for your convenience.

I am always happy to learn of social doings "Around Orinda" and I can also send in items on childrens' birthday parties and birth notices.

At your service, that's me, so give me a ring when you have some social new for The SUN.

Mrs. Mallary also suggested that packages be wrapped securely in strong, durable containers. Perishable articles such as fruit and meat should not be sent if they might spoil within the time reasonably required for transportation.

She added that it is better to send Christmas cards first class because holiday messages can be written on such mail. Also, if the card is not delivered it will be returned to the sender.

Dons, Panthers Start Hoop Play Tonight

Acalanes' Bee and Varsity fives open the 1953-54 league basketball season tonight when they travel to Antioch for a pair of games with the Panthers.

The Bees start activities at 7 o'clock.

Both Don fives are under new coaches. As a result they have new system of play which, coupled with the fact that a large number of last year's members have been lost via graduation, makes this year's clubs a more or less uncertain quantity at this time.

Coach Hal Oxsen's Bees are especially hit by the fact that a large number of last year's championship club have moved up to Varsity ranks.

THE VARSITY has had one practice game plus two quarters in last Saturday's tournament as a background of experience for this year's play, while the Bees have only had team scrimmages.

Antiochs' Bees are an unknown quantity, as no practice results are available, and only game time will tell how the teams stack up.

In the Varsity game the Dons appear to have the edge, on the oasis of the club's showing in the Basketball Tournament.

ANTIOCH APPEARS to have a host of large players, most of whom haven't got football out of their systems as yet and lack the finesse usually associated with a good basketball club.

The Dons appear to be a much smoother five, who have adapted themselves well in a relatively short time to Coach Jean Ridley's system.

The difficulty to date has been in the shooting department.

THE DONS HAVE HAD plenty of shots but the percentage of hits has been low.

If practice sessions mean anything, the Dons seem to be getting their shooting eye.

On that basis they could chalk up a win in tonight's league opener.

Adult Semester To End Thursday

The Acalanes Adult Program quarter will end Thursday.

Following the Christmas holidays the winter quarter will start with registration taking place the first week in January. In addition to those classes currently being offered, some additional classes may be added to the list of courses available.

It is planned to put a number of "suggested" classes on the schedules and to start these in session as soon as enough interest is shown in them by the community, adult officials disclosed.

Anyone having an interest in some specialized field who would like to see a class offered in that field should contact the Adult Office.

First Prep Hoop Tourney Gives Review Of Exciting Season in Varsity Rivalry

By ERWIN MATTSON

The First Annual Basketball Tournament of the Contra Costa High School Athletic League at Alhambra High's gymnasium last Saturday night was a success from many points of view.

It gave a preview of things to come in the varsity division and gave all clubs much-needed experience "under fire" prior to the league opening tonight.

Teams played before a capacity crowd, and competition was keen and spirited.

The rooting sections gave full vent to their feelings as yell leaders of the 10 schools involved cooperated to do a good job.

Keenness of competition was shown as the East and West schools went down to the final buzzer neck and neck, with only 6 points difference in the final tally.

One experiment which will probably not be repeated was the using of new and, for the most part, inexperienced officials who at times found themselves in difficult situations.

This resulted in some fantastic whistle-tooting that had players spectators and the striped-shirted gents themselves in a mild state of chaos.

Consensus was that the very best officials available be secured in the future.

"Testing" of officials should probably be done in intersquad scrimmages and Junior Varsity games, where the pressure is not so great.

The tournament showed that Contra Costa is in for one of its better casaba seasons.

It appears unlikely that any team can go all the way without one loss or more.

Two of the better clubs appear to be Albany and Pittsburg, and the championship story may be partly told tonight when the two meet up on the Albany court.

The Acalanes Dons have surprised observers with their showing in their two outings, despite the fact they have been unable to hit the hoop with any consistency.

Ball control and an overly number of foul shots have kept them in the running. If and when they find their shooting eye, the Dons could end up far higher in the standings than might be expected now.

It is to be hoped that the tournament will be an annual affair and will be extended to include a similar contest for the Bees.

Don Varsity Drops Opener To Cal 145ers

Coach Jean Ridley's Dons made their 1953-54 Varsity basketball debut last Friday afternoon with the University of California 145-pound team furnishing the opposition at the Acalanes gym.

The so-called 145-pound team proved to be anything but that as it came up with All-League players well over the 145-pound limit and one All-Northern California player.

While they toppled the Dons 43-32, the Acalanes five showed to far better advantage than expected.

THE DONS' FLOOR PLAY was better, particularly in the first half, and only inability to hit the hoop for any percentage kept the Blue and White out of the win column.

It was practically even-steven the first quarter, with Cal holing an 8-7 lead, which it extended to an 18-11 halftime margin.

The Dons made a desperate last-quarter bid, with Red Jones and Bart Ferro pounding the hoop for two field goals apiece.

BUT RAY WALLACE found his eye and hit for five field goals all by his lonesome, which kept Cal out in front.

Bob Gray was a standout for the Dons with his all-around play, while Ferro was high with 10 points for the Dons, while Wallace was top man for the winners with 18.

Cookie Lavagetto Returns to Oaks

Harry (Cookie) Lavagetto, one of Orinda's distinguished sports figures, will be a permanent resident once again as he returns to the Oakland baseball club as a coach under the managership of Charlie Dressen.

The two have worked together for several years now, with the partnership starting when Dressen came to the Oaks in 1949 and brought Lavagetto with him, at which time he (Cookie) moved to Orinda.

Dressen moved to Brooklyn in 1951 and took Cookie with him.

'53 Basketball Windup Tuesday

The Contra Costa Basketball League will go into final action of the 1953 calendar year when the teams play a round of games Tuesday afternoon.

After those games there will be a basketball holiday over Christmas vacation.

Play will be resumed on Tuesday, January 12.

TUESDAY'S PLAY will find Antioch and Pleasant Hill testing each other on the Mt. Diablo court in Concord.

Diablo and Pittsburg tangle at Pittsburg, while the Acalanes Dons meet their Walnut Creek rivals at Las Lomas.

ALHAMBRA AND John Swett round out the schedule when they meet up at Crockett.

The Bee clubs are slated to go into action at 3:30, with the Varsity games to follow.

Prep Fives Open League Action This Evening

The Contra Costa prep basketball league swings into action tonight when all fives except Alhambra of Martinez, which draws a bye, play games.

All games are doubleheaders, with the Bees starting the proceedings at 7 p.m.

THE DONS OPEN with Antioch at Antioch.

This is rated pretty much of a tossup in the Varsity division, while the Don Bees get the edge.

Las Lomas rates the underdog role as it invades the Diablo court.

The Devils' superior numbers and experience may be too much for the Las Lomas Knights.

Rams, in Debut, Lose to Tracy Basketball Teams

The Pleasant Hill Rams made their debut in the basketball circle last Friday night when they played host to the Tracy fives, at Mt. Diablo High in Concord.

Lack of experience spelled the difference. The tracy Bulldogs had too much scoring power and as a result copped a 41-19 decision in the lightweight division and went on to score a 54-30 win in the Varsity play.

IN THE BEES, Tracy jumped to a 14-5 first quarter lead and was never headed after that.

Guard Mike Cereda was high for the Rams with 6 points on two field goals and a like number of free throws.

Part of Tracy's advantage came from the free throw line, where its team hit 10 for 20, while the Rams netted but five on 15 tries.

IN THE VARSITY game it was pretty much the same story.

Tracy went out in front 14-7 at the end of the opening quarter, made it 24-14 at the halfway mark and had a big third period, rattling the boards for 28 points to the Pleasant Hill five's 8.

Play slowed in the final period as both coaches substituted freely, and it ended up with Pleasant Hill on the short end of a 54-30 count.

Center Jim McMillin took high point honors for the losers with 8 points on four field goals.

Teammates Jack Reagan, guard, and Jim Friborg, forward, counted 6 apiece on three field goals each.

LOADED WITH freshmen and sophomores, the Pleasant Hill Rams look to be building for the future.

With added experience they will undoubtedly win their share, especially in view of the fact that all players will return next season, inasmuch as the school does not go beyond the Junior class at present.

Pleasant Hill Helps West Team Win Victory in First Casaba Carnival

The Lettermen's Basketball Carnival last Saturday night in the Alhambra gym at Martinez found the teams composing the West side edging the East 127-121.

Ten teams put on a three and a half-hour display of basketball that proved to be keen, competitive ball, giving the more than 1500 fans plenty of opportunity to yell.

Scoring of East and West was on a cumulative basis. Each team played two eight-minute quarters.

The event started at 7 o'clock, when Las Lomas (East and Pleasant Hill (West) took to the floor.

LAS LOMAS HELD a 15-12 lead at the end of the first quarter but left the floor at the end of the second quarter trailing 22-20.

Liberty of Brentwood placed the East ahead, 32-28, after one quarter with John Swett, only to have Swett close the gap to 41-39 at the end of the second period.

Albany (West) changed the picture when it went ahead of the East representative by a 59-49 margin in the first eight minutes of play and displayed a brilliant offense, paced by its All-County center, Joe Dorsey, to post a 74-58 lead at the end of the second period.

PITTSBURG PUT THE East back in the running, however, when it practically ran the Alhambra Bulldogs into the ground, bringing the count to Alhambra, 79; Pittsburg, 74, in the first quarter.

The pace continued unabated in the second quarter as Alhambra came back for a 96-87 lead for the West.

Diablo's Red Devils and the Acalanes Dons took to the floor in the finale, with the Dons, representing the West, holding a 9-point lead over the East representative, Diablo.

THE DIABLO FIVE, one of the pre-season favorites, found a stubborn foe in the Dons, who battled Diablo on even terms.

It was 111-107 in Acalanes' favor at the end of the first quarter, and the Dons wound up out in front 127-121 when the final buzzer sounded, with the West copping the win.

THE EVENING PLAY found the nine Contra Costa teams plus Liberty in on an invitational basis, divided into East and West sections.

Off the tournament showing, Albany and Pittsburg appear to be the league's best, with Acalanes, Diablo and Alhambra battling it out for the next in line position.

THE PLEASANT HILL Rams look toward the Sugar City, where they will have their hands full with the John Swett fives.

Pittsburg goes to Albany in what could be the game of the week. Give Pitt's Bees the edge, while Albany's Varsity five gets the call on the basis of home court plus the fact that it is the defending champion.

Summary of the Condon Issue

Reports on last week's charges against Congresman Robert Condon have been confusing and lengthy. The following is a summation of happenings and statements. It is not an editorial.

☆ ☆ ☆

Last Thursday Congressman Robert Condon of Walnut Creek was charged with having attended a closed Communist Party meeting in Oakland in March or April of 1948.

The charge was made before the House Un-American Activities Committee in San Francisco by Charles David Blodgett, who was an East Bay reporter for the Communist People's World in 1948.

Blodgett said the meeting was held by the Communist Party's political action committee for Alameda and Contra Costa Counties and was to decide whether the party would enter a candidate to run against George P. Miller, who was then Congressman in the Sixth District.

Blodgett further stated that Condon was opposed to running a candidate against Miller, but others at the meeting voted to run a man named Luther Morris, nevertheless.

Blodgett was then cross-examined by Harold H. Velde, committee chairman and a Republican, and by Rep. Clyde Doyle, a Democrat of California.

The Velde questioning went as follows:

Velde: "Are you sure it was Condon?"

Blodgett: "Yes, sir."

Velde: "That was the Condon of the (then) law firm of Edises, Treuhaft and Condon?"

Blodgett: "Yes."

Velde: "Did you talk to him?"

Blodgett: "No, I did not."

Velde: "Had you seen him before?"

Blodgett: "Yes, several times."

Velde: "Do you mean to infer that Condon is a Communist?"

Blodgett: "No, but I never knew of a non-Communist being in a closed meeting of the political action committee. This is circumstantial."

Velde: "Do you know of your own personal knowledge anything that would show Condon was a Communist at this time?"

Blodgett: "I never knew him as a Communist."

Then Blodgett was questioned by Doyle, as follows:

Doyle: "Representative Condon is not here and is entitled to have the record straight. You don't know if Condon wanted to be present to discuss the candidacy of Miller, do you?"

Blodgett: "That's right."

Doyle: "So you had no control over who invited anyone?"

Blodgett: "Right."

Doyle: "You said the law associates of Condon (Treuhaft and Edises) were Communist members?"

Blodgett: "I said they were present at closed meetings of the Communist Party."

Doyle: "As a reportter, dealing with Condon's law partners and him, you never learned he was a member of the Communist Party?"

Blodgett: "No, I did not."

Doyle: "You never heard any one in authority as a member of the Communist Party, in that two and one-half years you dealt with Condon (as a reporter), say that he was a Communist?"

Blodgett: "No, sir."

Immediately following Blodgett's testimony here, Condon was invited by Rep. Donald Jackson, Republican of California, to fly back from New Orleans and tell the committee his side.

Condon replied: "I have no intention of talking to Velde because I think it's a Republican committee touring the country to smear Democrats."

In reply to Blodgett's charges, he said the following:

"I, at that time, met with literally hundreds of people to discuss candidates for office . . . We were seeking liberal candidates.

"So far as I know, it was no damned Communist meeting. It was a meeting of a bunch of guys who asked me up to discuss candidates. I remember being very, very vehement in saying it was stupid to run a candidate again Congressman George Miller."

When reporters asked Condon directly, he said, "I was not and never have been a member of the Communist Party."

He said that he had known Blodgett and added that the reporter for the People's World came into his office several times to discuss CIO activities.

☆ ☆ ☆

Last May Condon was denied admission to an atomic blast in Nevada for "security reasons," based on an FBI report.

In answer, he spoke at a session of Congress and said that the charges made against him were political and untrue. At that time he refused an invitation to appear before a congressional committee, the Joint Congressional Committee on Atomic Energy.

Condon, it is reported, has filed a written statement with that committee, but still has not been "cleared."

This week, Condon said he is willing to appear before the Atomic Energy Committee and declare under oath that he is not and never had been a member of the Communist Party.

☆ ☆ ☆

Condon was graduated from the Boalt School of Law at the University of California. He was honored with the editorship of the California Law Review in his last year.

During World War II he served as an enlisted man and won the Silver Star for gallantry in action in Germany. After the war he joined the Edises, Treuhaft firm.

He went to the State Assembly as a Democrat in 1948. While a state legislator, he opposed the loyalty oath; supported five lawyers held in contempt after the Communist trial in New York; opposed commendation of University of Washington officials who ousted Communists from their faculty.

What They Say . . .

If You Commute, Dinner might be Late!

Commuters can never be sure of when they will eat dinner, it seems.

This week The SUN called on local residents who commute by various means to East Bay communities and San Francisco. The comments they made show that going to work in the morning is not too bad, but coming home is an uncertain business at best.

Each commuter was asked: "How long does it take you to get to work? How long to get home? How do you travel, and where do you work?"

Here are the comments:

"I WORK IN OAKLAND," said Leonard F. Ratto, 3404 Moraga Boulevard, Lafayette. "I'm fortunate because I have to be at work at 6:30 a.m., so I don't run into any traffic. Incidentally, I drive.

"But in the evening I wait for my wife and we don't leave until about 5 p.m., and then it takes at least 45 minutes, depending on traffic."

Kenneth P. Ray, 920 Hawthorne Drive, Lafayette, also drives to his Oakland work, and commented: "It takes me about 30 minutes in the morning, and depending on whether or not there is an accident, a little longer in the evening."

WELLINGTON RAY, 3 Ranch Road, Orinda, takes the Greyhound to San Francisco, and Mrs. Ray said: "It takes him about 45 minutes going over and sometimes longer coming home. It depends entirely on the traffic. You can't plan on what time he'll get home at night."

Another driver is R. P. Rasmussen, 10 La Vuelta, Orinda, who said: "It takes me about 20 minutes in the morning, and about half an hour to get home at night, depending on when I leave. If I wait until after 4:30 p.m. it is hard to tell how long it will take me to get home."

Mrs. Kermit T. Wiltse of 173 Miramonte Road in Walnut Creek told us it takes her husband a half hour both morning and evening to commute to Berkeley by car.

Mrs. Berle Murray of Livorna Heights in Walnut Creek answered that it takes three quarters of an hour for her husband to travel to Oleum by car and the same time to return, unless there's fog, then it's longer.

H. W. Jager of 1907 Elinora Drive in Pleasant Hill, who travels to San Francisco with a car pool, answered it takes him from 50 to 60 minutes to get to work, and an average of an hour and 15 minutes to get home.

Mrs. Leland H. Dykstra of 2092 Janice Drive in Pleasant Hill answered her husband travels by car to San Francisco, taking about an hour and 10 minutes in the morning and an hour and from 15 to 20 minutes at night.

Letters to the Editor

Dear Editor:

Ronald Light is upset about the paper (government) used in the mailing of Congressman Condon's speech defending himself to his constituents.

This may be the beginning of another crisis, in his mind, but there are enough Democrats around who will repay the Republican administration for the paper used to circulate the speech to the voters of Solano and Contra Costa Counties. We must balance that budget.

Perhaps Ronald Light asks how come this reply when he refers to Dave Comstock? I was responsible for getting out the press release for the October 27 meeting at Acalanes High School.

The public is always invited to the monthly meetings of the Central Contra Costa Democrats. Mr. Light could have asked Mr. Condon about certain doubts which he had on his mind.

So let us not be petty. When I want to ask the GOP candidate questions in 1954, and an open meeting is held, and the public is invited, I'll be there.

Sincerely yours,
s/Tom Kendall
Walnut Creek

Dear Editor:

That was a beautiful headline you had in the paper yesterday (SUN, December 4), perfectly suited to the snap judgment of headline readers.

However, I'll match Congressman Condon's patriotism any day against that of professional ex-communists and informers. Robert L. Condon won the Silver Star for gallantry in action as an infantry sergeant in World War II. His legislative record prives that he believes in the type of orderly progress which has made America what it is today.

If representative Condon attended one controversial meeting in his long political career and during a campaign when he looked for the support of as many people as possible, and was seen only once in his lengthy career by an admitted subversive, it is high time to call a halt to the type of irresponsible character assassination by political opportunists which has plagued this Land of the Free and Home of the Brave. Let's start acting like Americans; And stop this name-calling.

Very truly yours,
J. J. Saemann

Dramateurs Do Difficult Task And Do It Well

By THE REVIEWER

Orinda Dramateurs directed by Ed O'Brien attempted a doubly Herculean task as they performed Clare Booth Luce's "The Women" in Berkeley last Friday, and they did the job exceedingly well.

Professional performances turned in by Patricia Winkworth as Sylvia and Terry Schralla as Edith were of primary importance in making the evening one of entertainment.

THE FIRST Herculean task of bringing the talents and lines of 36 actresses in 40 parts to the audience at the right time with the right emphasis was accomplished very well.

The second Herculean task, that of providing insight in Women, primarily the responsibility of Mrs. Luce, fell somewhat short. We couldn't help harboring the feeling that the playright was sometimes more interested in neat sharp lines, and they were that, than portraying any deep understanding of American femininity.

In individual performances, Mrs. Winkworth was outstanding as the sharp tongued, meddlesome and viscious Sylvia. And Mrs. Schralla was very convincing in her role of Edith who was the same as Sylvia, except softer, and who continually bore children, with no love for them.

DIANE ROSE did well playing the authoress who lent some sanity to the scene and Hynne Vogely was excellent as the sweet but misled Peggy.

Enid Cohen did an adequate job in her somewhat drab role as the heroine, Mary; as did Shirley Stark in her role as the husband stealing villianess. Miriam Aarons played very well in the part of Betty Reynolds, a sane, but practical woman.

As the reviewer's job includes finding fault, we mention that continuity was lacking in instances and that some of the minor characters dropped good lines.

The fact the curtain rose on this difficult undertaking is in itself a tribute to the abilities of Director O'Brien. The fact it came off well is, of course, a better tribute.

MINOR PARTS, well enough done to stick in our memory, were the efforts of Alice Swenning, Charlotte Chapple, Glendoris Moreland, Ruth Cole, Edith Dinkin, Twinx Hauser, Frances Becker and Wirtabel Harris.

And other actresses who did a good job were Marnelle Hoffman, Nancy Keeney, Bette Apgar, Roni Kentfield, Jane Steele, Judy Sagenkahn, Diana Nielsen, Peg Stanislawsky, Justine O'Keefe, Lorraine Sherman and Barbara West.

Gerry Washington, Carol O'Brien, Mildred Shain, Ruth Clyatt, Jane Steele, Agnes Fitzgerald, Betty Baker and Margaret Wiegand.

All in all, the difficulty of the task and the ability with which it was done spoke well for the group.

Under The Sun

By Herman Silverman

Is the "Pro-Commie" label going to be pinned on Congressman Robert Condon?

That's the foremost topic now raging in our area and, unquestionably, it will continue through next year's congressional election. Since the story broke, I have tried to set aside personal opinion and study the "Condon Case" as objectively as is humanly possible. I concentrated on gathering the varied reactions and opinions of others.

And how they vary!

Through our area, a Republican stronghold, many say, "I told you so. We've been told this all along and it's a shame that we are represented by a man like Condon."

In mild phraseology, that's the boiled-down reaction from one extreme. The reaction from the other extreme is equally strong. They protest:

"This is the same old line that's been peddled against Condon before every election. It's McCarthyism at its worst for purely political purposes. But this is despicably vicious because they are not only trying to win an election but are trying to ruin a man."

Opinions of Mr. Average Citizen

Most important, however, is the thinking of people who are between the two extremes. These are the pepole not active in the political organizations. If there is such a thing, they represent our Mr. Average Citizen of Contra Costa County.

Most surprising, their reaction does not seem to follow their political affiliations.

One resident, an intelligent and responsible young family man, summed up one school of thought. "I am a registered Republican but this Condon business worries me. If this is being done for political purposes, it's a shame. I worry about this kind of witch hunting and what it will do to our nation. If it isn't true, they are crucifying a man. I would like to know the facts."

Past charges corraborated?

A registered Democrat, equally intelligent and responsible, expressed the views of another school of thought.

"I voted for Condon every time he has run. I like him and think he is able and brilliant. I've heard charges against him in the past but I've not taken them seriously. But now I wonder. It appears that these past accusations are now being corraborated. You can't discount the action of the Atomic Energy Commission when they barred Condon from the atomic tests. And Condon has never satisfactorily explained this. And now the testimony before the Velde Committee presents powerful evidence against Condon. I think maybe I've been wrong."

Most everyone in this in-between group wants to know the truth. And yet many express grave concern because the only way to get the truth is by Condon himself proving the charges are NOT true. This, they say, is contrary to American justice — Condon should be considered innocent until proved guilty.

Yet these same people do not know how to get the truth without making Condon prove his innocence. This is a tough thing to do. The SUN certainly will make its columns available to Condon — as we have always done in the past.

Fast action on a suggestion

Two weeks ago this column outlined the tremendous improvement in public relations made by the East Bay Municipal Utility District during the past few years. A suggested public relations idea was for EBMUD to hold open house at its interesting filtering plants and reservoirs in this area. The following letter from EBMUD General Manager shows that a govermental unit can be responsive to public wishes — and fast:

"We are pleased to receive your suggestions regarding an open house for the public at some of our more important facilities. In this regard, we have asked Bud Tanner, our director of customer relations, to work out a possible program along these lines and I am sure he would appreciate an opportunity to discuss the matter with you in order to secure your thoughts on how such a program could be worked out most effectively."

Chorus, Symphony Tops in 'Messiah'

By FREDERICK FREEMAN

After a lapse of several years, the annual Christmas performance of Handel's Messiah was resurrected last Sunday evening at Acalanes, before a large attentive audience.

The choral numbers were sung by the Contra Costa Singers, a recently formed organization under the leadership of George Prall; and the Contra Costa Symphony Orchestra, made up of two groups of players, directed jointly by Oscar Busch and Allen Scholl supplied the accompaniment.

SUNDAY'S PERFORMANCE was conducted by George Prall, with the exception of two orchestral numbers, the Overture and Pastorale, which were played under the baton of Oscar Busch.

Margaret Price, soprano; Edythe Pendergast, contralto; Byron Milburg, tenor; and Ellsworth Walston, bass, appeared as soloists.

Mr. Milburg substituted for Sam Costales, who was prevented from singing because of illness. Mention should also be made of 10-year old Mario Guarneri, who played a trumpet obligato for the bass aria, and "The Trumpet Shall Sound," with telling effect.

MR. PRALL is to be commended for the excellent performance of his choristers, notable for their accuracy of pitch, precision of attack, and purity of tone. They will be heard again next spring in a concert of their own.

The same may be said of the Contra Costa Symphony Orchestra, whose next concert will be given in January, with Mrs. Thomas Hodgson as soloist.

CHRISTMAS CAROL FESTIVAL, sponsored by the Mt. Diablo Area Junior Chamber of Commerce, will be held at Acalanes High School Monday evening, December 21. Many church, school and civic groups will participate. The 30-voice choir of Christ the King Catholic Church of Pleasant Hill is one of them. Behind the piano Bob Hickey (left), Junior Chamber vice-president, and George Yorg, Christmas Carol Festival Committee co-chairman, listen appreciatively to some of the choir members rehearsing. Seated at the piano is Mrs. Clifton Martin. Singers standing are: Front row — Mrs. Steve Vorenkamp, Mrs. Eleanore Paulus, Mrs. James V. Hannan; back row — Mrs. Edward Gilbertson, Louis Woytek (who is also a Junior Chamber member), Ed Newcomer. Christmas Carol Festival Will Be Joint Community Effort, say JayCees

It was announced this week by the Mt. Diablo Area Junior Chamber of Commerce that the Christmas Carol Festival they are sponsoring will not be on a competitive basis as originally announced.

The Festival, Monday evening, December 21, 7:30 p.m., at the Acalanes High School Gymnasium, will be conducted as a presentation of Christmas music and promote the betterment of community relations, according to Samual Mason, Lafayette, chairman of the Junior Chamber Christmas Committee.

THE PUBLIC IS invited to attend.. Such groups as the Walnut Heights School kindergarten, the Pleasant Hills Intermediate School, Lafayette Boy Scouts, Our Savior's Lutheran Church, the Walnut Creek Presbyterian Church and Christ the King Catholic Church of Pleasant Hills are developing the program.

More than 250 individual choristers have already signed up, according to Mason.

"ENTRIES ARE still being solicited," he said, "and will be accepted until December 15. Please make your reservations with me at Lafayette 4769 or through The SUN. I would like to see all faiths represented at the Festival."

Capacity of the Acalanes gymnasium is sufficient to seat the choruses and audience. The large stage will be arranged for the groups and decorated by the Jay-C-ettes, the Junior Chamber auxiliary.

More details will be announced during the next two weeks. The selection of a musical director, pianist and soloists is expected to be completed by next week.

Acalanes Adult Center to Start Two New Courses

New classes in weaving and income tax preparation will soon be added to the program offered by the Acalanes High School Adult Center. The weaving course will include textile weaving, designing, color coordination and dyeing.

The instructor, Mrs. Dale King, has had extensive background experience in this field.

According to Adult Director Arthur Dambacher, her work in this field has been outstanding. Among other things, Mrs. King won first prize for weaving in the Palace of Fine Arts Show of 1951. Mrs. King said fabrics for suits, dresses, draperies, upholstery, and place mats are all possibilities in this class.

A CLASS ON working with one's personal income tax forms is being planned. It will probably begin with the new semester the first week of January. However, if the demand is great enough it may be started this month.

Depending on the demand, classes are also being planned for both mornings and evenings throughout the week. People interested are urged to phone the adult office (YE 4-6707). As soon as 20 names are on the list, the class will begin.

Winter Adult Classes Told

Among those classes to be offered in the coming winter quarter by the Acalanes High School Adult Center will be a basic training course for cubmasters and den mothers.

The class will be held on Monday evenings from 7:30 to 9:30 at Las Lomas High School starting January 4.

The week of January 4 through the 7 will be registration week for the winter quarter which will run from January 4th to March 29th.

Classes being considered for the winter quarter include; oil and water color painting, elementary radio electricity, interior decorating, jewelry making, lampshade making, landscape gardening, mechanical drawing, blue print reading, house planning, physical fitness for women, public speaking, photography, real estate law, income tax accounting, textile weaving, driftwood sculpture and journalism.

These classes and any others that are requested and approved will be a part of the winter quarter offerings as soon as sufficient community interest is shown in any of them. Persons who would like to see one of these classes presented may call the adult office, YE 4-6707.

Area Youngsters Join in Program Marking Hanukah

Children of the Jewish Sunday School of Central Contra Costa County participated with children of other East Bay Jewish Sunday schools in a celebration of Hanukah, the Festival of Lights, last Sunday.

Seventy-four of the local area Sunday school children were taken in chartered buses to the Oakland Auditorium Theater, where the celebration was held.

Main feature was a pageant depicting the Jews' first fight for religious freedom.

The joint celebration was sponsored by the Jewish Educational Council of the East Bay, with which the Jewish Sunday School of Central Contra Costa County is affiliated.

The eight-day observance of Hanukah lasted from December 1 through Tuesday.

During the annual observance, candles are lit each day, progressively increasing from one on the first day to eight on the last, in commemoration of the lamp that burned for eight days in the temple on one day's supply of oil, after the successful flight for religious freedom.

Realty Women Donate Christmas Gifts

Women's division of Contra Costa Real Estate Board is donating Christmas gifts for women at the County Hospital in Martinez, "The Squawker," real estate board publication, revealed this week.

To date 28 gifts have been collected. Members may leave other gifts with Vera Foss at Thane Clark's office in Pleasant Hill.

Overflow Crowd Attends County GOP Unit Meet

An overflow crowd attended the second meeting of the Contra Costa County Republican Council, Monday, at the Martinez High School to hear Donald Kientz, chairman, give a brief resume of the Council.

The group formed to broaden the base of county-wide Republican activities.

KIENTZ REMINDED the group of the first Council meeting last June, at which the by-laws were adopted; reported the fund-raising dinner at Diablo, the tea in Orinda honoring Senator Thomas Kuchel, the Young Republican Policy Conference in Monterey, the Coffee Clatch sponsored by the Kensington Women's Club as a fund-raising affair, and the Eisenhower birthday dinner hosted by the Richmond Women's Club.

He explained the pre-primary candidate screening committee, recently chosen at council member meetings in local areas.

From the 10th Assembly District, they are: Pleasant Hill, Jack Gillan and Jack Fischer; Walnut Creek, Mrs. Quentin Reynolds and Gordon Fisk; Orinda, Emerald Smith and Jim Moriarty; Concord, Ralph Dowell and Hazel Andichou; San Ramon, J. Thaddeus Cline; and Associated, Ray Camp.

KENSINGTON, George Brasfield; Martinez, Willard B. Knowles; Lafayette, Don Bonar (Chairman) and Pat Jelton; Pittsburg, Aldine Marshall; Crockett, Antone Dowrelio; Brentwood, Betty Carlisle (Secretary); and Antioch, still to be named.

A similar committee has been formed in the 11th District. A committee of nine members is to be chosen from Solano County.

Thomas St. Hill of Orinda gave a report on his views and reactions to personal attendance at the Velde Committee hearings, recently held in San Francisco.

Camera Clubs to Hold Meet Tuesday

The December monthly interclub photographic competition, sponsored by the Northern California Council of Camera Clubs, will be held in Berkeley Tuesday at 8 p.m. at Whittier School auditorium, Lincoln and Milvia Streets. Hosts will be the Berkeley Camera Club.

MERRY CHRISTMAS IS what a Christmas tree symbolizes and the trees at the Mt. Diablo Y'S Men's lot at the corner of Mt. Diablo Boulevard and Dewing Lane in Walnut Creek are no exception. Dave Condeff, left, of Walnut Creek, is ready to start selling trees, aided by Frank March of Lafayette and YMCA Director John Price, right. Each boy will get a share of the proceeds of his sale of trees to help him spend next summer at Camp Gualala in the redwoods. —Photo by Henry Young

Home Units at Christmas Party

The Contra Costa County Home Departments and Extension Groups held their annual Christmas party at the Walnut Creek Recreation Center last Friday.

Mrs. Herbert Henkie of the Walnut Creek Day Group was general chairman. Mrs. George Fox, chairman of the County Home Department, gave a brief report on the State Farm Bureau Convention in San Jose.

Speaker for the day was Mrs. John M. Brubaker who spoke on the Amish People.

Realty Mart Hears Tax Problem Talk

"Major Tax Problems in Contra Costa County," was the subject of the guest speaker at Contra Costa Realty Mart breakfast at El Nido Rancho in Lafayette Monday morning.

Herbert Morrisson, executive secretary of the Contra Costa County Taxpayers Association, delivered the address.

County affairs committee of the Contra Costa Real Estate Board met last week with Morrisson and the taxpayer's planning committee to discuss means of expediting the proposed county zoning ordinance and speed development of a master plan.

Mrs. John Ellis Elected President Of Outdoor Art Shows Incorporated

Mrs. John M. Ellis of Lafayette was named 1954 president of Outdoor Art Shows Inc. at a meeting December 2 at Lafayette School. She succeeds Mrs. Peter Howard of Walnut Creek in the post.

Mrs. Ellis will head a 12-man board of directors for the association which sponsors the Artist's Market in Lafayette and the Annual Art Show, largest open art show in the area.

At last week's meeting Mrs Hazel Salmi, director of the Richmond Art Center, discussed the problems of establishing community art programs.

She described the growth of the Art Center in Richmond and expressed the opinion that Outdoor Art Shows, Inc. can accomplish similar goals in Central Contra Costa County.

Other 1954 officers of the association include Mrs. Rawlings Simon of Orinda, vice president; Mrs. John S. Enright of Walnut Creek, secretary, and Edmund S. Barnett of Lafayette, treasurer.

Mrs. Enright and Barnett will continue in posts they held last year.

Other members of the board are as follows:

Mrs. Leon Dinkin, Walnut Creek, secretary of exhibition committee; Blair Werness, Lafayette, exhibition designer; Mrs. Quentin Reynolds, Walnut Creek, ways and means; Mrs. Jane McGeehon, membership; Peter Howard, Walnut Creek; Mrs. Frederick Confer, Martinez, chairman, Artist's Market committee; Mrs. Mel Thomason, Martinez, president of Diablo Art Association; and Charles Bosley, Walnut Creek, public relations.

Girl Scout Fund Drive Nets $14,000

At a meeting at the residence of Mr. and Mrs. Leonard H. Ford December 2, Leon Rahn, general chairman of the fund drive for the Diablo Valley Area Girl Scout Council, announced that the combined efforts of the committee and its assistants had netted $14,000.

This sum was collected with a total expenditure of $260.27, representing a cost to the campaign of less than 2%.

MRS. LEONARD H. Ford, president, thanked Rahn and his committee for their efforts.

Rahn thanked the district colonels, Mrs. John Gompertz, Orinda; Jack Pedder, West Lafayette; William Morrison, East Lafayette, M. Goodman, Walnut Creek; Mrs. J. Orr Kyle, Alamo; Mrs. William Marsh, Danville, Charles Millard, Ygnacio Valley; H. B. Habue, Pleasant Hill; and Mrs. Abe Doty, Business at Large, for a job well done.

HE ALSO WISHES to thank those behind the scenes who have not received the proper recognition for helping make this campaign a success.

Mrs. Ford said "On behalf of the Girl Scouts of the Diablo Valley I wish to sincerely thank each contributor to the program of Girl Scouting. It is your faith and desire to build a good foundation for youth that shows up during such a campaign. I would like to personally thank everyone, the donors and the hundreds of workers, who were all inspired by the idea of building youth."

THE COUNCIL has between 700 and 800 volunteer workers and some 3000 Girl Scouts, with an ever increasing number of girls moving to this area.

The Council is searching for a campsite within easy distance so that they may this year provide camping for a larger number of girls.

Christmas Fete Features Modern Dance Pied Piper

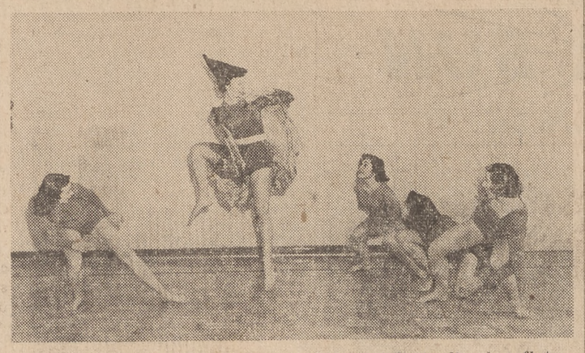
Girls in the Acalanes High School modern dance group will perform "The Pied Piper," this year as in the feature attraction of the annual Acalanes Christmas program for residents of the community slated for 8 p.m., Thursday in the Don gym.

The Acalanes band and mixed chorus also headline the holiday program.

The fable of "The Pied Piper" described how a strange looking man with a secret charm in his magic pipe removed the plague of rats from Hamlin Town. However, the thousand gilders promised him for removing the rodents is laughed off my the town's people.

The piper retaliates and with his magic pipe leads the children of the town off into a secret hiding place. The faith of one mother, the mayor's wife, inmpresses the piper who sends her from a wayside shrine back to Hamlin to teach others the open-hearted love she alone possesses.

In her despair over the loss of her child the mayor's wife is near death. Unseen, the piper watches as she throws herself at the foot of a wayside cross. The villagers see the piper watching her and demand news of their children. He reaches for his pipe, plays a few notes and Hamlin again rejoices as parents and children are reunited.



PIPER DIANE ROBERTSON, second from left, toodles her flute, while, left to right, Jean Galbraith, Sue Adair, Lylas Lynn and Sally Freedman listen excitedly in a scene from the Acalanes High School production of "The Pied Piper," which will be presented at 8 p. m. Wednesday in the Don gym. The general public is invited, admission free, to the annual Don Christmas modern dance, band ad mixed chorus program.
— Acalanes News Service Photo

The piper then takes the grieving mother, unites her with her son unseen by the crowd, which has brought out its treasurer for the piper, and secretly steals away with them.

Members of the dance group participating in the program are Susan Adair, Selma Aweeka, Bitsy Bruns, Lynn Cowling, Sharon Cockburn, Loretta Cook, Faye Davis, Ilse Dix, Julia Dunn, Sally Freedman, Jean Galbraith, Ellay Gardener, Barbara Gray, Cathy Greub, Roberta Krotz, Lennie Lamb, Lylas Lynn, Nancy Parsons, Diane Robertson, Joan Scheuer, Kathy Vale and Sally Weidlein.

The dance group is directed by Miss Millicent Hamburger.

The Acalanes band of 50 students and the mixed chorus of 80 voices, is directed by Richard Hanson.

Sermon Topic Is 'God, Preserver'

"God the Preserver of Man" will be the subject of the Lesson-Sermon which will be read in the Christian Science churches at 42 Orinda Highway, Orinda, and 1355 Locust Street, Walnut Creek, Sunday. The sermon will consist of citations from the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

The readings from the Bible will include this verse from Psalms: "The Lord is nigh unto all them that call upon him, to all that call upon him in truth" (145:18).

From Science and Health this correlative passage will be read: "The history of Christianity furnishes sublime proofs of the supporting influence and protecting power bestowed on man by his heavenly Father, omnipotent Mind, who gives man faith and understanding whereby to defend himself, not only from temptation, but fom bodily suffering" (p. 387).

Bureau Still Seeking Toys

This will be the fourth year that the Christmas Bureau in Walnut Creek has been engaged in Christmas work. The Bureau acts as a clearing house for those who wish to give food and toys and those who receive the holiday gifts. It is co-sponsored by the Junior League of Oakland and the Red Cross.

The Bureau will be open until December 21, from 9 to 12 noon, five days a week, in the Red Cross building. Call Yellowstone 4-8746 for information.

The toys are to be taken to the Fire House in Walnut Creek where firemen will check them over for repairs before passing them on to the Christmas Bureau.

The staff is headed by Mrs. Mat Connelly with Mrs. Harmon Howard as her co-chairman, and includes Mesdames Nancie Keane, Carl Vendt, Jack Dana, John Hannegan, Alex Lindsay, Russell Dyer, Ed Boero, Frank Mueller, all of Walnut Creek, and Mrs. Carl Helmholz and Mrs. John Lindsay of Lafayette.

Unit Urges Camp Endorsement Action

Citizens Committee for the Establishment of a Contra Costa Rehabilitation Camp for Boys this week urged all who wish to send endorsements of a camp to the Board of Supervisors, do so immediately.

Immediate endorsement is urged, Mrs. H. F. Neller of Lafayette, chairman, explained, because the board is now considering the matter.

Mrs. Neller also announced a program is broadcast each Sunday evening at 7:30 p. m. over station KECC explaining the camp program.

A speaker with colored slides is available to interested groups, she added.

Sipes Honored By Contra Costa Camera Club

In recognition of "outstanding publicity and assistance rendered," Les Sipes, camera editor for the Oakland Tribune, was voted honorary membership in the Contra Costa Camera Club. He is the first person to be so honored by the 5-year-old organization of photography enthusiasts.

Winning transparencies for the club's monthly color competition were judged by a panel of three club members who included Guy Spencer, J. Wesley Rhoades and C. P. McVicker. Results were:

Group "B" division: C. P. McVicker, first; J. Wesley Rhoades, second; Marian Nelson, third; Abe Doty, fourth; Cliff Smith, fifth.

Group "A" division: Ed Nelson, first; Irene Spencer, second; Ed Nelson, third; Ben Randall, fourth; James Hokanson, fifth.

The club elected to affiliate as a unit with the Photographic Society of America, thereby subscribing to special portfolio and informational services. The P.S.A. has recently formed a camera club committee to promote group activities and assist member clubs with their photographic problems.

It costs you at least $2.50 extra when you go through the Tunnel to shop. Save at home!
